Velvet Milk a must for summer protection & healthy feet

This summer you won't want to serve spa treatments without serving Velvet Milk's Aloe Butter Mask.

Velvet Milk's Aloe Butter Mask is Spa Specific's best selling feature product for body, hands, feet, manicures and pedicures.

Velvet Milk's Duo Butter Mask conditioning power comes from the anti-aging and anti-oxidant properties of Palm, rich hydration from paraffin free moisture with natural fruit glycerin, vitamin E and essential oils. Excellent for all clients; this formulas promotes healthy skin, a pure and safe treatment that protects you and the client.

Warm weather brings out sandals, flip flops and more skin then cooler months. With more skin and nails being exposed to heat and debris, we encounter swollen feet, burns, bacteria and fungus exposure.

Velvet Milk's apothecary formula fights and helps heal chronic skin and nail challenges including fungus, irritation, sensitivity, swollen red skin, bacteria, viruses, and athlete's syndromes.

Velvet Milk fights and heals skin and nail challenges especially fungus with pure leaf extracts including: Oregano, Thyme, and Olive. The Signature calming aroma includes lemongrass and ginger without the bite of citrus. Delicious and Refreshing! Serve a cool Lemon-Aid with every treatment.

Bonnie Canavino, President of Spa Specifics sees a great need for professional products that combat what technicians are dealing with everyday. "I want our products to mean more to the client and the technician then just a great smell and trend ritual," says Bonnie, "I sought out organic and Ayurvedic principals to create Velvet Milk, resulting in a system that offers superior treatment from superior resources".

Velvet Milk is the new generation of 100% Certified Organic treatment formulas exclusive for Spa Specifics that is free of parabens, phthalates and all other formaldehyde releasing chemicals.

Velvet Milk is water soluble and excellent to use in whirlpool thrones, hydro-tubs, bowls, vessels and sinks.

Velvet Milk Services include: Body Shiners and Wraps, Hydro-Tub Soaks, hand and foot add-on Spa Room Treatments and Manicure and Pedicure Therapies.

Velvet Milk's Aloe Butter Masks comes in a 16oz. Tub for \$42.00
